## Who I am living for? by Katy Perry

## Fill in the gaps

I can feel a phoenix inside of me	At the end of it all
As I march alone to a different beat	Who am I living for
Slowly swallowing (1) my fear	I can see the writing on the wall
I am ready for the road less traveled	I can't ignore this war
(2) up for my crowning battle	At the end of it all
This task is my own cross to bear	Who am I living for?
But I will get there	I can see the writing on the wall
It's never easy to be chosen	I (8) ignore this war
Never easy to be caught standing on the front line	At the end of it all
(3) the bombs start to fall	Who am I living for?
I can see the heavens	At the end, at the end
But I still hear the flames	Who am I living for?
Calling out my name	At the end, at the end
I can see the writing on the wall	Who am I (9) for?
I can't ignore this war	Heavy is the head that wears the crown
At the end of it all	Don't let the greatness get you down
Who am I living for?	Heavy is the head (10) wears the crown
I can feel this lightness inside of me	Don't let the greatness get you down
Growing (4) into a bolt of lightning	I can see the writing on the wall
I know one spark will shock the world	I can't ignore this war
So I pray for (5) like Esther	At the end of it all
I need your strength to handle the pressure	Who am I living for?
I know there will be sacrifice	I can see the writing on the wall
But that's the price	I can't ignore this war?
It's never easy to be chosen	At the end of it all
Never easy to be (6) standing on the front	Who am I living for?
ine	At the end, at the end
When the bombs start to fall	Who am I living for?
I can see the heavens	At the end, at the end
But I still hear the flames	Who am I living for?
Calling out my name	
I can see the writing on the wall	
I can't ignore (7) war
