Hummingbird heartbeat by Katy Perry

You make me feel like I'm losing my virginity

The first time (1)_____ time when you're
(2)_____ me

I make you bloom like a flower that you've never seen

Under the sun we are one (3)_____ energy

Let's pollinate to create a family tree

This evolution with you comes naturally

Some call it science, we call it chemistry

This is the story of the bird and the bees

And even when seasons change

Our love still stays the same

You give me that hummingbird heartbeat

Spread my wings and make me fly

The taste of your honey is so sweet

When you give me the hummingbird heartbeat

Hummingbird heartbeat

Hummingbird heartbeat

I've flown a million (4)_____

A (5)_____ flower with the power to bring life to me

You're so exotic, my whole body fluttering

Constantly craving for a taste of your sticky sweet

Always on the brink of a heart attack

You keep me alive and keep me coming back

I see the sun rise in your eyes, your eyes

We've got a future full of blue skies, blue skies
