Fill in the gaps

Just like that you gotta brand new life
Hop in this truck and run through the red lights
Yes where you wanna go baby name the town
We can go up the north we can head down south
Roll down the windows with the (1) loud
Come on (2) it up, yes
(3) living (4) life
On the double leave your troubles behind
You knew we're gonna be alright
You could be a blackbird
On the country street
Hiding from the world (5) a broken wing
But you'd better believe you're gonna fly with me
And you could be a songbird from the New Orleans
Scared of the rain just too scared to sing
But you'd better believe you're gonna fly with me
Well, here we are baby in the back of my van
Suns going down skies (6) red
Stars coming out
Baby look at you now
God knows how long but it's been a while
Since I heard you (7) and I'd seen that smile
Fill that kiss and I could get used to this
Baby I could get used to this
Because you could be a black bird
On the country street

Hiding from the world with a broken wing
But you'd better believe you're gonna fly with me
And you (8) be a songbird from the New Orleans
Scared of the rain just too scared to sing
But you'd better believe you're gonna fly with me
You're gonna fly
You're gonna fly
You could be a black bird
On the country street
Hiding from the world with a broken wing
But you'd better believe you're gonna fly with me
And you could be a songbird from the New Orleans
Scared of the rain just too scared to sing
But you'd better (9)
Yes, you'd (10) believe baby
You could be a black bird
On the country street
Hiding from the world with a broken wing
But you'd better believe you're gonna fly with me
And you could be a songbird from the New Orleans
Scared of the rain just too scared to sing
But you'd better believe you're gonna fly with me
You're gonna fly with me
You'd better believe baby
You're gonna fly
