Fill in the gaps

You'll Never Be Alone by Anastacia

The world is changing	you'll never be alone
and (1) is spinning fast	Through the fire, by your side
it's so amazing how you came (2) my life	I (16) be there for you so I'm, don't you worry
I (3) it seems all (4) is gone	(and you know, I'll be there)
I know you feel you can't be strong	you'll (17) be a alone
and once (5) the story ends with you and I	heya heyeaaaah
And anytime you (6) like you just can't go on	Hold on
just hold on to my love	we can (18) it through the fire
and you'll never be alone	and my love
Hold on	I'm (19) by your side
we can make it (7) the fire	and you know
and my love	if you should (20) call my name
I'm forever by your side	I'll be right there
and you know	oh baby, hold on
if you should ever call my name	Hold on
I'll be (8) there	(we can (21) it through the fire)
you'll never be alone	we can make it baby
Hopeless to describe	and my love
the way I (9) for you	said I'm forever by (22) side, yeah
no (10) how I try	(and you know)
words would (11) do	if you should (23) call my name
I looked into your eyes to find	said I'll be, I'll be (24) there
as (12) as love is alive	oh, oh, ooooh
there ain't (13) we can't (14) it	Hold on
through	yeah yeah
Anytime, or only for a while	(we can make it through the fire)
don't worry	yeah yeah
make a wish	oh no
I'll be there to see you smile	(my love)
oooh	I know, and you know (I'm forever by your side)
Hold on	yeah yeah yeah yeah yeah
we can make it throught the fire	(and you know)
and my love	(if you should ever call my name)
I'm forever by your side	(I'll be right there)
and you know	
if you (15) ever call my name	
I'll be right there
