

## Fill in the gaps

I feel the 4 become 5			
And I'm waiting, waiting			
For you to walk down the boulevard			
And to (1) me, (2) me, take me			
But the moment you appear			
You wake me, (3) me, wake me			
Out of the slumbers of my head			
From the slums of loneliness			
And there's no conspiracy			
Behind the way two hearts meet			
When love is a two way street			
-Love is a two way street-			
And I think I'm ready			
To let you get (4) my skin			
I can't make you fall for me			
-Love is a two way street-			
We're coming close to our fame			
They'll put a star (5) our names			

And I couldn't	(6)	for the history	
When I've got you in front of me			
And the cars could all collide			
The shards of glass won't catch my eye			
Because you're almost by my side			
We're counting down at the green light			
And there's no	conspiracy		
Behind the wa	y two hearts n	neet	
When love is a two way street			
-Love is a two	way street-		
And I (7)	I'm re	eady	
To let you get under my skin			
I can't make you fall for me			
-Love is a two way street-			
Love is a two way street			
(8)	is a two way	street
