

A part of me I'd never seen

Fill in the gaps

You scared the (1) out of me I'm very sorry	You took my soul and wiped it clean
You scared of me?	Our love was made for movie screens
All I (2) is nothing more	But If you loved me
To (3) you knocking at my door	Why'd you leave me?
Because if I could see your face once more	Take my body
I (4) die a happy man I'm sure	Take my body
When you said (5) last goodbye	All I want is
I died a little bit inside	And all I need is
l lay in (6) in bed all night	To find somebody
Alone without you by my side	I'II (7) somebody
But If you loved me	If you (8) me,
Why'd you leave me?	Why'd you leave me?
Take my body	Take my body
Take my body	Take my body
All I want is	All I want is
And all I need is	And all I need is
To find somebody	To find somebody
I'll find somebody like you oh	I'll find somebody like you, oh
Because you brought out the best of me
