Swept Away by Christopher Cross

I am swept away

Fill in the gaps

Thever had anything (1) so fast	without a warning
Took one look and I shattered like glass	Like night when the morning begins the day
I guess I let it show	I was swept away
Cause your smile (2) me you knew	Away, seeing my tomorrow's in your eyes
That you're everything I ever wanted at once	I was swept away
There's no holding this heart	Oo, I hope I wake up soon
When it knows what it wants	Oo, I'm a victim of that crazy moon
And I (3) wanted anything more than to know	The very (8) time you said my name
you	I knew it would never sound the same
I was swept away	Something about me has changed forever
No one in the world but you and I	Can't you see I am swept away
Gotta (4) a way	No one in the world but you and I
To make you (5) the way that I do	Gotta find a way
I was swept away	To make you feel the way that I do
Without a warning	I am swept away
Like night when the morning begins the day	Without a warning
I was swept away	Like night when the morning (9) the day
And so it begins	I was swept away
This journey of love	Away, seeing my tomorrow's in your eyes
The summer (6) carries us to (7)	Gotta find a way
all our own	To make you feel the way that I do
The words of a look	I was swept away
The language of touch	Without a warning
The way that you want me means so much	Like night when the morning begins the day
And I never wanted anything more	I was swept away
Than to love you	We were swept away
I am swept away	Dreaming of you
No one in the world but you and I	Swept away
Gotta find a way	
To make you feel the way that I do
