Swept Away by Christopher Cross

I am swept away

Fill in the gaps

I never had anything happen so fast	Without a warning
Took one look and I shattered like glass	Like night when the morning begins the day
I guess I let it show	I was (8) away
Cause your (1) told me you knew	Away, seeing my tomorrow's in your eyes
That you're everything I ever wanted at once	I was swept away
There's no (2) this heart	Oo, I hope I wake up soon
When it knows (3) it wants	Oo, I'm a victim of that crazy moon
And I (4) wanted anything more than to know	The very first time you said my name
you	I knew it would (9) sound the same
I was swept away	Something about me has changed forever
No one in the world but you and I	Can't you see I am swept away
Gotta find a way	No one in the world but you and I
To make you feel the way (5) I do	Gotta find a way
I was (6) away	To make you feel the way that I do
Without a warning	I am swept away
Like night when the morning begins the day	Without a warning
I was swept away	Like night when the morning begins the day
And so it begins	I was swept away
This journey of love	Away, seeing my tomorrow's in your eyes
The summer wind carries us to places all our own	Gotta find a way
The words of a look	To make you feel the way (10) I do
The language of touch	I was swept away
The way that you want me (7) so much	Without a warning
And I never wanted anything more	Like night when the morning begins the day
Than to love you	I was swept away
I am swept away	We were swept away
No one in the world but you and I	Dreaming of you
Gotta find a way	Swept away
To make you feel the way that I do
