Guess it's something (1)_____ the boys don't stop
When you think good time
Means to get lost just one night
I should remember all the lives I saved
(2)_____ I said I'm too hard to love
But tonight it's different
I can feel the summer coming on
And I stopped listening to this little
Voice inside my brain
Never mind too much fight
Too much fight, too much
(3)_____ to come around
I want you right now
I want you right now
I want you right now
Want to (4)_____ around
I want you right now
I want you right now
And you don't (5)_____ how
My heart is breaking down
And the lights went out
Would you come around?
Would you take me out?
Come around, come around
Called the friends in common we had
Asked where you at
Yeah, that's a good start
It feels so stupid to run in the dark
Looking for this girl who can get me back
But tonight's different
I can (6)_____ the summer coming on
And I stopped listening
Never mind too much fight
(7)_____ mind too much fight
Never mind too much fight

Too much fight, too much
Want to come around
I want you right now
I want you right now
I want you right now
Want to come around
I want you right now
I want you right now
And you don't know how
My heart is breaking down
And the lights went out
Would you come around?
Would you take me out?
Come around, come around
Words tried to come out then
But you shut them with your hand
Horses in the rain, horses in the rain
Words tried to come out then
But you shut them with your hand
Horses in the rain, travellers in the sun
Want to come around
I want you right now
I want you right now
I want you right now
Want to (8)_____ around
I want you right now
I want you right now
And you don't know how
My heart is breaking down
And the lights went out
Would you come around?
Would you take me out?
