Too much fight, too much

Guess it's something that the boys don't stop
When you think good time
Means to get lost (1) one night
I should remember all the lives I saved
Everytime I (2) I'm too hard to love
But tonight it's different
I can feel the summer coming on
And I stopped listening to this little
(3) inside my brain
Never mind too much fight
Too much fight, too much
Want to come around
I want you right now
I want you right now
I want you right now
Want to come around
I want you right now
I want you right now
And you don't (4) how
My heart is (5) down
And the lights went out
(6) you come around?
Would you take me out?
Come around, come around
Called the friends in common we had
Asked where you at
Yeah, that's a good start
It feels so (7) to run in the dark
Looking for this girl who can get me back
But tonight's different
I can feel the summer coming on
And I stopped listening
Never mind too much fight
Never mind too much fight
Never mind too much fight
