

## Fill in the gaps

I found a stare for your wide eyes			
And falls high to shut them tight			
To think I thought I (1) never lie			
To think I made you cry			
Couldn't let you cover my bones with kisses			
Couldn't (2) you desperately			
See this one-shot shatters the glass			
Then misses and you stand reflected in me			
Don't let me darken the nights you sleep			
Don't let me into the thoughts you keep			
See you owe no sympathy to me			
A lead weight for you open palm			
And a white shirt over (3) bloody heart			
To think I thought I was all you are			
I was missing from the start			
Couldn't let you cradle my head or stay			

Let you (4)	_ your wonderful	words	
In my (5) I circled your heart with red in			
When I (6) y	ou were already	hurt	
Don't let me darken the nights you sleep			
Don't let me into the (7)	)	you keep	
See you owe no sympathy to me			
Let it fall down with the rain			
Let it fall down			
Let it fall down with the rain			
Let it (8) dov	vn		
Don't let me darken the nights you sleep			
Don't let me into the tho	ughts you keep		
See you owe no (9)		to me
