

Fill in the gaps

found a stare for your wide eyes		
And falls high to shut them tight		
To think I thought I could never lie		
To think I made you cry		
Couldn't let you (1) r	ny bones with kisses	
Couldn't love you desperately		
See this one-shot shatters the glass		
Then (2) and you	stand reflected in me	
Don't let me darken the nights you sleep		
Don't let me into the thoughts you keep		
See you owe no sympathy to me		
A lead weight for you open palm		
And a white shirt over your bloody heart		
To think I thought I was all you are		
I was (3) (4)	the start	
Couldn't let you cradle my head or stay		

Let you waste your wonderful words	
In my sleep I circled (5) heart wi	th red ink
(6) I woke you were already hurt	t
Don't let me darken the (7)	you sleep
Don't let me into the thoughts you keep	
See you owe no sympathy to me	
Let it (8) down (9) the	e rain
Let it fall down	
Let it (10) down with the rain	
Let it fall down	
Don't let me darken the nights you sleep	
Don't let me into the thoughts you keep	
See you owe no sympathy to me
