Chelsea Hotel No 2 by Lana del Rey

remember you (1) in the Chelsea Hotel	But for me you would make an exception
You were talking so brave and so sweet	And clenching (12) fist for the (13) lik
Giving me (2) on the unmade bed	us
While the (3) wait in the street	Who are oppressed by the (14) of beauty
Those were the reasons and that was New York	You (15) yourself, you said
We were running for the money and the flesh	"Well (16) mind, we are ugly but we
And that was called love	(17) the music"
For the workers in song	And you got away, didn't you baby?
Probably still is for those of (4) left	You (18) (19) (20)
Ah, but you got away, didn't you baby?	(21) on the crowd
You just turned (5) (6) on the crowd	And you got away, I (22) once heard you say
You got away, I never once heard you say	I need you, I don't need you
need you, I don't (7) you	I need you, I don't (23) you
(8) you, I don't need you	And all of that jiving around
And all of (9) (10) around	I don't mean to suggest (24) I loved you the best
remember you well in the Chelsea Hotel	I can't keep track of each fallen robin
You (11) famous, your heart was a legend	I remember you well in the Chelsea Hotel
You told me again you preferred handsome men	That's all, I don't even (25) of you
	(26) often
