## Stairway To Heaven by Led Zeppelin

There's a lady who's sure all that glitters is gold	If there's a bustle in your hedgerow, don't be alarmed now
And she's buying a stairway to heaven	It's just a spring clean for the May queen
When she gets there she knows, if the stores are all closed	Yes, there are two paths you can go by, but in the long run
With a word she can get what she came for	There's still time to change the road you're on
Ooh ooh, and she's buying a stairway to heaven	And it makes me wonder
There's a sign on the wall, but she wants to be sure	Your head is (3) and it won't go, in case
'Cause you know sometimes words have two meanings	you don't know
In a tree by the brook, there's a songbird who sings	The piper's (4) you to join him
Sometimes all of our thoughts are misgiven	Dear lady, can you hear the (5) blow, and did you
Ooh, it makes me wonder	know
Ooh, it (1) me wonder	Your stairway lies on the whispering wind
There's a feeling I get when I look to the west	And as we wind on down the road
And my spirit is crying for leaving	Our (6) taller than our soul
In my thoughts I have seen rings of smoke through the trees	There walks a lady we all know
And the voices of those who stand looking	Who shines white light and wants to show
Ooh, it makes me wonder	How (7) still turns to gold
Ooh, it really makes me wonder	And if you listen very hard
And it's whispered (2) soon if we all call the tune	The (8) will (9) to you at last
Then the piper will lead us to reason	When all are one and one is all
And a new day will dawn for those who stand long	To be a rock and not to roll
And the forests will echo with laughter	And she's buying a stairway to heaven
