Swinging in the backyard	Drunk and I am seeing stars
Pull up in your fast car	This is all I think of
Whistling my name	Watching all our friends fall
Open up a beer	In and out of Old Paul's
And you say get it over here	(4) is my idea of fun
And play a videogame	Playing videogames
I'm in his favorite sun dress	It's you, it's you, it's all for you
Watching me get undressed	Everything I do
Take that body downtown	I tell you all the time
I say you're the besty	Heaven is a place on earth with you
Lean in for a big kiss	Tell me all the things you want to do
Put your favorite perfume on	I heard that you like the bad girls
Go play a videogame	Honey, is (5) true?
It's you, it's you, it's all for you	It's better than I ever even knew
Everything I do	They say that the (6) was built for two
