

He holds me in his big arms

Fill in the gaps

Swinging in the backyard	Drunk and I am seeing stars
(1) up in your fast car	This is all I think of
Whistling my name	Watching all our friends fall
Open up a beer	In and out of Old Paul's
And you say get it over here	This is my idea of fun
And play a videogame	Playing videogames
I'm in his favorite sun dress	It's you, it's you, it's all for you
Watching me get undressed	Everything I do
Take that body downtown	I tell you all the time
I say you're the besty	Heaven is a place on earth with you
Lean in for a big kiss	Tell me all the things you want to do
Put your favorite perfume on	I heard (4) you like the bad girls
Go play a videogame	Honey, is that true?
It's you, it's you, it's all for you	It's better than I ever even knew
Everything I do	They say (5) the world was built for two
I tell you all the time	Only worth (6) if somebody is loving you
Heaven is a place on earth with you	And (7) now you do
Tell me all the things you want to do	It's you, it's you, it's all for you
I heard that you like the bad girls	Everything I do
Honey, is that true?	I tell you all the time
It's better than I ever even knew	Heaven is a place on earth with you
They say that the (2) was built for two	Tell me all the things you want to do
Only worth (3) if somebody is loving you	I heard that you like the bad girls
Baby now you do	Honey, is that true?
Singing in the old bars	It's better (8) I ever even knew
Swinging with the old stars	(9) say that the world was built for two
Living for the fame	Only worth living if somebody is loving you
Kissing in the blue dark	And baby now you do
Playing pool and wild darts	
And videogames
