

Fill in the gaps

You're the only one that I've got
But I can't get lost in you
I can't get lost in you
It can be someone I don't know
To make it up to you
Make it up to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get next to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get (1) to you
You don't want to look ahead
When it's (2) back at you
(3) back at you
Oh, who moves?
Baby I've got nothing to lose
But I can't (4) for you
You're undiscovered
I want to see the (5) of you
I can't get (6) to you
I can't get next to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get next to you

It's evident that you never were
Fully person in my composition
(7) in what you really wanted
Left no evidence that you were listening
It's (8) that you never were
Fully person in my composition
Holding in what you really wanted
Left no evidence that you were listening
You're not the same
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get next to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get next to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get (9) to you
You're undiscovered
I want to see the rest of you
I can't get next to you
I can't get next to you
