

## Fill in the gaps

Don't want to think about it
Don't need a picture of it
I think we've traveled enough
No resolution to it, constant confusion
The kind that (1) you up
So could we alter the lies?
Could we open the night?
The signs are screaming at us
The (2) are screaming
Sad, but we will break it
I don't want to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't (3) to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
Can we just (4) about it?
Instead of skating from it
I (5) we've wandered enough
Cold front with everybody
The bitter sweet embrace
Kind that fused too much
So could we alter the pace?
(6) we open the race?
The signs are screaming at us

rne signs are screaming
Sad, but we will break it
I don't want to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't want to leave you now-
-I don't (7) to leave you now-
-I don't want to (8) you now-
-I don't want to leave you now-
You're afraid of (9) over the line
You're afraid of falling over the line
You're afraid of falling over the line
You're afraid of falling over the line
Sad, but we will break it
I don't (10) to leave you now
I don't want to leave you now
I can see you're faking
I don't want to leave you now
I don't want to leave you now
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
-I don't want to leave you now-
