

Fill in the gaps

All the (1) (2) travelling super	For the first time, (10) (11) let
speed	(12) light shine
Every road is clear	Oh so (13) that still
Heading to nowhere	Higher higher let your light shine
But I feel, I feel so alive for the first time	See it all the other stars
Put your hand to mine and let's blaze across the sky	For the (14) time, first (15) let your
You'll see there are no way through another lips	(16) shine
Because it feels, this feels like us for the first time	And no longer feel the night
For the (3) time, first time, let your light shine	Brighter, brighter let your (17) shine
Oh so brighter that still	Tonight, tonight we watch the (18) come to life
Higher higher let your light shine	to life
See it all the other stars	Alive, alive watch the world come to life
For the first time, (4) time let your light shine	It (19) be alright
And no (5) feel the night	For the first time, first (20) let your light shine
Brighter, brighter let (6) (7) shine	Oh so brighter that still
For the first time	(21) let your light shine
No more rules to break	See it all the other stars
It's your (8) to waste	For the (23) time, first time let (24)
Everything we need	light shine
All that (9) screen	And no longer (25) the night
And it feels, feels like your mind for the first time	Brighter, (26) let your light shine
	For the first time, for the first time
