

Fill in the gaps

We're gonna let it show

Can you see me?
Because I'm right here
Can you listen?
Because I've (1) trying to make you notice
What do you mean to me
To feel like somebody
We've been on our way to (2)
Trying so hard to get there
And I say, oh!
We're gonna let it show
We're gonna just let go off everything
Holding back our dreams and try
To make it come alive
Come on let it shine so (3) can see
We were meant to be somebody, somebody
Somehow, someday, someway, somebody
I'm so tired of being invisible
But I feel it, yeah
Like a fire (4) the surface trying to set me free
Burning inside of me
Because we're (5) on the edge now
It's a long way down
But I say, oh!

We're gonna (6) let go off everything
Holding (7) our dreams and try
To make it (8) alive
Come on let it shine so they can see
We were meant to be somebody
Somebody, somebody, yeah
Somehow, someday, someway, somebody
We will walk out of this darkness
Feel the spark light glowing like the yellow sun
And then we'll fight, we'll fight together
Till we get (9) up
And we will rise as one
We're gonna let it show
We're gonna just let go of everything
Holding back our dreams and try
To make it come alive
(10) on let it shine so they can see
We were meant to be somebody
Somebody, somebody
Somehow, someday, someway, somebody
