notice	Come on let it shine so they can see
What do you mean to me	We (14) (15) to be somebody
To feel (3) somebody	Somebody, somebody, yeah
We've been on our way to nowhere	Somehow, someday, someway, somebody
(4) so (5) to get there	We (16) walk out of this darkness
And I say, oh!	(17) the spark light (18) like the
We're gonna let it show	yellow sun
We're (6) just let go off	And then we'll fight, we'll fight together
(7)	Till we get (19) up
Holding back our (8) and try	And we (20) rise as one
To make it come alive	We're gonna let it show
Come on let it shine so they can see	We're gonna (21) let go of everything
We were meant to be somebody, somebody	(22) our dreams and try
Somehow, someday, someway, somebody	To make it come alive
I'm so tired of being invisible	(24) on let it (25) so (26)
But I feel it, yeah	can see
(9) a (10) below the	We were meant to be somebody
(11) trying to set me free	Somebody, somebody
