

Somebody by Lemonade Mouth

Fill in the gaps

Can you see me?

Because I'm right here

Can you listen?

Because I've been trying to make you notice

What do you (1)_____ to me

To feel like somebody

We've been on our way to nowhere

Trying so hard to get there

And I say, oh!

We're gonna let it show

We're gonna just let go off everything

Holding back our dreams and try

To make it come alive

Come on let it shine so they can see

We were meant to be somebody, somebody

Somehow, someday, someway, somebody

I'm so tired of being invisible

But I feel it, yeah

Like a fire below the (2)_____ (3)_____

to set me free

Burning inside of me

Because we're standing on the edge now

It's a long way down

But I say, oh!

We're gonna let it (4)_____

We're gonna just let go off everything

Holding back our dreams and try

To make it come alive

Come on let it shine so (5)_____ can see

We were meant to be somebody

Somebody, somebody, yeah

Somehow, someday, someway, somebody

We (6)_____ walk out of this darkness

Feel the spark light glowing like the yellow sun

And then we'll fight, we'll fight together

Till we get back up

And we will rise as one

We're gonna let it show

We're gonna just let go of everything

Holding back our dreams and try

To make it come alive

(7)_____ on let it (8)_____ so they can see

We were (9)_____ to be somebody

Somebody, somebody, somebody

Somehow, someday, someway, somebody
