

Fill in the gaps

I'm sitting down here, but hey, you can't see me	But you (11) be aware
Your words cut rather deeply	But I've learned to get (12)
They're just some other lies	And I swear you'll (13) that
I'm hiding from a distance	someday
I've got to pay the price	I'm sitting (14) here, but hey, you can't see me
Defending all (1) it	Kind of invisible, you don't sense my stay
I really don't know why	Not really hiding, not (15) a shadow
You're (2) (3) all my secrets	Just thought I would join you for one day
You (4) (5) me cry	I'm sitting down here, but hey, you can't see me
You seem to want to hurt me	Kind of invisible, you don't sense my stay
No matter what I do	Not really hiding, not like a shadow
I'm telling just a couple	Just thought I would join you for one day
But somehow it gets to you	You seem to (16) to hurt me
But I've learned to get revenge	No (17) what I do
And I (6) you'll experience that someday	I'm telling just a (18)
I'm sitting down here, but hey, you can't see me	But (19) it gets to you
Kind of invisible, you don't sense my stay	But I've (20) to get revenge
Not really hiding, not like a shadow	And I swear you'll (21) that
Just thought I would join you for one day	someday
I'm sitting (7) here but hey, you can't see me	I'm sitting down here, but hey, you can't see me
I'm not trying to avoid you	Kind of invisible, you don't sense my stay
(8) don't wanna hear (9) voice	Not really hiding, not (22) a shadow
When you call me up so often	Just thought I would join you for one day
I don't really have a choice	I'm sitting down here, but hey, you can't see me
You're talking like you know me	Kind of invisible, you don't sense my stay
And wanna be my friend	Not really hiding, not like a shadow
But that's really too late now	Just thought I would (23) you for one day
I won't try it once again	I'm sitting down here, but hey, you can't see me
You may think that I'm a loser	Kind of invisible, you don't sense my stay
(10) I don't really care	Not really hiding, not (24) a shadow
You may think that it's forgotten	Just (25) I would join you for one day
