

Fill in the gaps

No room for doubt by Lianne La Havas

You caught me, guilty	We all make mistakes, we do, I learnt (4) you
Taking the (1) of you	Please sleep softly, leave me no room for doubt
That night, you took a flight	Please (5) softly, leave me no room for doubt
I couldn't decide what to do	Please sleep softly, leave me no room for doubt
I won't let a safe bet	Please sleep softly, leave me no room for doubt
Continue to make me go blue	Leave me no room for doubt
I could go solo	We all make mistakes, we do, I (6) from you
But that'd be the right thing to do	We all make mistakes, we do, I learnt from you
We all make mistakes, we do, I learnt from you	We all (7) mistakes, we do, I (8)
We all make mistakes, we do, I learnt from you	from you
I tiptoe, too slow	We all make mistakes, we do, I learnt from you
Out of the door to your house	Please sleep softly, leave me no
I know you (2) (3) this way leads me	Please (9) softly, leave me no room for doubt
out	Please sleep softly, (10) me no
Outside, too bright	Please sleep softly, leave me no room for doubt
You're within I'm without	Leave me no room for doubt
You're within	
We all make mistakes, we do, I learnt from you
