## Is your love big enough? by Lianne La Havas

I found myself in a second	I scream on second avenue	
I found myself in a second-hand guitar	Ice cream on second avenue	
Never thought it would happen but I	Is your love big enough for what's to come?	
Found myself in a second-hand guitar	-Baby, let me know-	
So I've just got to know	Is your love big enough or (5) is done?	
I truly (1) to know	-Want you let me know-	
So you've got to let me know	<em>-Underground, underground</em>	
Is your love big enough for what's to come?	With the friends I've found, friends I've found-	
Got so hot in the city	Is your (6) big enough for what's to come?	
That I forgot everything I was looking for	<em>-Underground, underground</em>	
Made my way to the (2) floor	With the friends I've found, friends I've found-	
And I danced till I wasn't drunk anymore	Is your love big enough, big enough?	
So I've just got to know	Is (7) love big enough for what's to come?	
I truly have to know	-Want you let me know-	
So you got to let me know	Is your love big enough or past is done?	
Is your love big enough for what's to come?	-Baby, let me know-	
-Baby, let me know-	Is (8) love big enough for what's to come?	
Is your (3) big enough or past is done?	<em>-Underground, underground</em>	
-Baby, let me know-	With the friends I've found, (9) I'v	/E
Underground, underground	found-	
(4) the friends I've found, friends I've found	Is your love big enough for what's to come?
