Ice cream!

Fill in the gaps

Is your love big enough? by Lianne La Havas

I found myself in a second	I scream on second avenue
I found myself in a second-hand guitar	Ice cream on second avenue
Never thought it would happen but I	Is your love big (4) for what's to come?
Found myself in a second-hand guitar	-Baby, let me know-
So I've just got to know	Is your (5) big enough or past is done?
I truly have to know	-Want you let me know-
So you've got to let me know	-Underground, underground
Is (1) love big enough for what's to come?	With the friends I've found, friends I've found-
Got so hot in the city	Is your love big (6) for what's to come?
That I (2) I was	-Underground, underground
looking for	With the friends I've found, (7) I've
Made my way to the dance floor	found-
And I danced till I wasn't drunk anymore	Is your love big enough, big enough?
So I've just got to know	Is your love big enough for what's to come?
I truly have to know	-Want you let me know-
So you got to let me know	Is your love big enough or past is done?
Is your love big enough for what's to come?	-Baby, let me know-
-Baby, let me know-	Is (8) love big enough for what's to come?
Is your love big enough or past is done?	-Underground, underground
-Baby, let me know-	With the friends I've found, friends I've found-
Underground, underground	Is your love big enough for what's to come?
With the friends I've found, friends I've found
