

## Fill in the gaps

I (1) meant to wither	And wipe the mark of (15) from my face
I wanted to be tall	Show me that your (16) will never change
Like a fool left the river	If my yesterday is a disgrace
And watched my (2) fall	Tell me (17) you still recall my name
Old and thirsty I longed	Oh, here in the shadow, here I am
For the flood to come back around	And I need (18) by my side
To the cactus in the valley	It becomes so hard to stand
That's about to crumble down	And I keep trying to dry my eyes
And wipe the mark of sadness from my face	Come and find me in the valley
(3) me (4) (5) (6)	_ And wipe the mark of sadness from my face
will never change	Show me that your love (19) never change
If my (7) is a disgrace	If my yesterday is a disgrace
Tell me that you (8) recall my name	(20) me that you still recall my name
So, the (9) finally (10) me	And wipe the (21) of (22)
And left me in the dark	(23) my face
In the (11) me	Show me (24) your love will never change
I don't know where you are	If my yesterday is a disgrace
If this whole (13) goes up in arms	(25) me that you still recall my name
All I can do is stand	
And I won't fight for anyone	
Until you (14) my hand
