It's five o'clock in the morning		Are you mine? are you mine?		
Conversation got boring		Because I stay here all the time		
You said you're going to bed soon		Watching telly, drinking wine		
So I snuck off to your bedroom		Who'd have known? who	'd (3) kn	own?
And I thought I'd just wait there		When you flash up on my phone		
Until I heard you come up the stairs		I no longer feel alone		
And I pretended I was sleeping		Let's just stay, let's just stay		
I was hoping you would creep in with me		I wanna lay in bed all day		
Put your arm around my shoulder		We'll be laughing all the way		
It was good, till it got colder		(4) your friends, they all know		
And we moved closer in, together		We exist, but we're taking it slow		
And (1) talking about the weather		Let's just see how it goes		
Said tomorrow would be fine		Now, let's see how it goes		
And we could watch a place in the sun		(5) el ca	tel del vídeo:	
I didn't know where this was going		-I want you to (6)_	that I (7)) fallen
When you kissed me		deeply in love with Lily-
