

Fill in the gaps

It's five o'clock in the morning		Are you mine? are you mine?
Conversation got boring		Because I stay here all the time
You said you're going to bed soon		Watching telly, drinking wine
So I snuck off to your bedroom		Who'd have known? who'd have known?
And I thought I'd just (1) there		When you flash up on my phone
Until I heard you come up the stairs		I no longer feel alone
And I pretended I was sleeping		Let's just stay, let's just stay
I was hoping you would creep in with me		I wanna lay in bed all day
Put your arm around my shoulder		We'll be laughing all the way
It was good, till it got colder		Told your friends, they all know
And we moved closer in, together		We exist, but we're taking it slow
And started talking about the weather		Let's just see how it goes
Said tomorrow would be fine		Now, let's see how it goes
And we could watch a place in the sun		En el cartel del vídeo:
I didn't (2) where this was going		-I want you to know that I have (6)
When you (3) me		deeply in love with Lily-
Are you mine? are you mine?		Are you mine? are you mine?
Because I stay here all the time		Because I stay here all the time
Watching telly, drinking wine		(7) telly, drinking wine
Who'd have known? who'd have known?		Who'd have known? who'd (8) known?
When you flash up on my phone		When you flash up on my phone
I no (4) feel alone		I no longer feel alone
No longer feel alone		Let's just stay, let's (9) stay
Haven't left you for days now		I wanna lay in bed all day
And I'm becoming amazed how		We'll be laughing all the way
You're quite (5)	in public	(10) your friends, they all know
In fact, your friend said it made her feel sick		We exist, but we're taking it slow
And even now it's moving forward		Let's just see how it goes
It's just the right amount of awkward		Now, let's see how it goes
And today, you accidentally called me baby
