

Fill in the gaps

I can feel the whole world spinning around
I'm losing ground
I feel it every day
and I can feel you coming inside out
I'm losing touch with all reality
I remember the look in your eyes
the way that they pulled me inside
all I've got now in my defence is my innocense
I've been hypnotised
Hypnotised!
I can hear the church bells ringing out
reminds me of some bright and sunshine day
when all the pretty horses
when an the pretty horses
you (1) ride would come right back to feel your
