

I didn't want to love

I was happy on my own

Wish I never had a taste of your sweet song

I was rolling like a stone

Taking any road

There was something in the way

You stopped me cold

All the pretty words you said

Slipped through my fingers just like sand

Ever since that sorry day you took my hand

Wasted love

Wasted love

Wasted all my time and all my love on you

When times were rough

You used me up

(1)		love on you
Did you	(2)	really see?

Was it ever really me?

Why did you keep me in a cage?

You should've set me free

Because every single time you lied

Felt like a splinter in my pride

And if you had a heart now I know it wasn't mine

Wasted love

Wasted love

Fill in the gaps
