I didn't want to love	wasted all my time and love on you
I was happy on my own	When times were rough
Wish I (1) had a taste of your sweet song	You used me up
I was rolling like a stone	Wasted love on you
(2) any road	All along I (22) something was not right
There was something in the way	But I was (23) I could change (24)
You (3) me cold	mind
All the (4) words you (5)	All along no matter how I tried and tried
Slipped through my (6) just like sand	You kept taking, taking
Ever (7) (8) (9) day	(25) every breath I had inside
you (10) my hand	Wasted love
(11) love	Wasted love
Wasted love	Wasted all my (26) and all my love on you
Wasted all my (12) and all my (13) on	When times were rough
you	You used me up
When times were rough	Wasted love
You used me up	Wasted love
Wasted love on you	Wasted love
Did you (14) (15) see?	(27) all my time and all my love on you
Was it ever (16) me?	When times (28) rough
Why did you (17) me in a cage?	You used me up
You should've set me free	Wasted love on you
Because (18) (19) time you	I wasted all my love on you
(20)	Wasted all my love on you
Felt like a splinter in my pride	
And if you had a heart now I know it wasn't mine	
Wasted love	
(21) love
