

Fill in the gaps

Some say when hearts race	Because someday they'll try to break you break you
There's no saving grace	But baby I won't let them take you (6) you away
Tho' (1) fate	Take you away
I'll just wait because nothing can sway	Someday maybe they'll change you change you
Someday maybe they'll change you change you	But don't let don't let them lead you lead you astray
But don't let, don't let them (2) you lead you astray	Stay young, stay young
Stay young, stay young	Because someday they'll try to break you break you
Because someday they'll try to break you break you	But baby I won't let them take you take you away
But baby I won't let (3) take you take you away	Take you away
Take you away	And someday they'll try to change you change you
We might (4) and time chase	But baby I won't let them change you (7) you
But there (5) a place	astray
Where all hopes and all saints	Stay young
Collide face to face	Because someday they'll try to break you (8)
Someday maybe they'll change you change you	you
But don't let don't let them lead you lead you astray	But baby I won't let them take you take you away
Stay young, make love	Take you away
