

Fill in the gaps

Here I am waiting	I (10) leave, this is my (11) glance
I'll have to leave soon	That will soon be memory
Why am I holding on?	And when the daylight comes I'll (12) to go
We knew this day would come	But (13) I'm (14) to
We knew it all along	(15) you so close
How did it come so fast?	Because in the daylight we'll be on our own
This is our (1) night but it's late	But tonight I need to (16) you so close
And I'm trying not to sleep	I never (17) to stop
Because I know when I wake	Because I don't want to start all over, start all over
I (2) have to (3) away	I was afraid of the dark
And when the (4) comes I'll have to go	But now it's all that I want
But tonight I'm going to hold you so close	All (18) I want, all (19) I want
Because in the daylight we'll be on our own	And when the daylight (20) I'll (21)
But (5) I need to hold you so close	to go
(6) I am staring at (7) perfection	But tonight I'm going to hold you so close
In my arms, so beautiful	(22) in the daylight we'll be on our own
The sky is getting bright	But tonight I (23) to hold you so close
The stars are (8) out	And when the daylight comes I'll have to go
Somebody slow it down	But tonight I'm going to hold you so close
This is way too hard	Because in the daylight we'll be on our own
Because I know, (9) the sun comes up	But tonight I need to (24) you so close

SUB inglés

- 1. last
