

## Fill in the gaps

Why? The question that is never far away The healing doesn't come from the explained Jesus please don't let this go in vain You're all I have All that remains So here I am What's left of me Where glory meets my suffering I'm alive Even though a part of me has died You take my heart and bring it back to life I've fallen into your arms open wide When the hurt and the healer collide Breathe \_\_\_\_ it's all that I can do Sometimes I (1)\_\_\_ Pain's so deep that I can hardly move Just keep my eyes completely fixed on you Lord take hold and pull me through So here I am What's left of me Where glory meets my suffering I'm alive Even though a part of me has died

You take my heart and breathe it back to life

I've fallen into your arms open wide When the hurt and the healer collide

| It's the moment when humanity                 |
|---|
| Is overcome by majesty                        |
| When grace is ushered in for good             |
| And all our scars are understood              |
| When mercy takes its rightful place           |
| And all these questions fade away             |
| When out of the weakness we must bow          |
| And (2) you say "It's over now"               |
| I'm alive                                     |
| Even though a part of me has died             |
| You take this heart and bring it back to life |
| (3) fallen into your (4) open wide            |
| When the hurt and the (5) collide             |
| Jesus come and break my fear                  |
| Awake my heart and take my tears              |
| Find your (6) even here                       |
| When the (7) and the healer collide           |
| Jesus come and (8) my fear                    |
| Awake my (9) and take my tears                |
| Find your glory even here                     |
| When the hurt and the healer collide          |
| Jesus come and break my fear                  |
