Fill in the gaps

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in time you (1)_____
life is small in the big top
And your dreams were (2)_____ dying
What you wanted was not a crime
You could've done it
Now you're always (3)_____ a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
(4)_____ walk on the wire
Lions leap (5)_____ hoops of fire
As the acrobats go flying
But what's the show all about
When did your north get turned to south
And the truth turn to lying
(6)_____ you wanted
was not a crime
You could've done it
but you needed time
Now you're always (7)_____ a little
A little in the middle
A little in the middle
of where you're bound
(8)_____ just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning...
But it's a hole you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
More you're missing
to your left and to (9)_____ right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning round
And round, and round
It keeps your head from spinning round...
