Little in the middle by Milow

You always wanted to be

Part of a circus company

For the fun and death defying

But in time you forgot

life is small in the big top

And your dreams were slowly dying

What you wanted was not a crime

You could've done it

Now you're always (1)_____ a little

A little in the middle

A little in the (2)_____

of (3)_____ you're bound

Always just a little in the middle

It keeps your head from (4)_____ round

Jugglers walk on the wire

Lions leap through hoops of fire

As the acrobats go flying

But what's the show all about

When did your north get turned to south

And the truth turn to lying

What you wanted

was not a crime

You could've done it

but you needed time

Now you're always just a little

A little in the middle

A little in the middle

of (5)_____ you're bound

Always just a little in the middle

It keeps (6)_____ head from spinning round

It keeps your (7)_____ from spinning...

But it's a hole you're digging

A hole you're digging

you're (8)_____ it despite

the so much more you're missing

More you're missing

to your left and to your right

Now you're always just a little

A little in the middle

A little in the middle

of where you're bound

Always just a little in the middle

It keeps your head from spinning round

It keeps your head from spinning round

And round, and round

It keeps your (9)_____ from spinning round...

(bis x2)

Answer

1. just
2. middle
