You always (1) to be	A little in the middle
(2) of a circus company	A little in the middle
For the fun and death defying	of where you're bound
But in time you forgot	Always just a little in the middle
life is small in the big top	It (16) your head from (17)
And your dreams were slowly dying	round
What you (3) was not a crime	It keeps your head from spinning
You could've done it	But it's a hole you're digging
Now you're (4) just a little	A (18) you're digging
A (5) in the middle	you're doing it despite
A little in the (6)	the so (19) more you're missing
of where you're bound	More you're (20)
Always just a little in the middle	to your left and to your right
It keeps your head (7) spinning round	Now you're always just a little
(8) walk on the wire	A little in the middle
(9) leap through (10) of fire	A (21) in the (22)
As the acrobats go flying	of where you're bound
But what's the (11) all about	Always just a little in the middle
(12) did (13) north get turned to south	It keeps your head (23) (24)
And the truth turn to lying	round
What you wanted	It (25) your head (26) spinning roun
was not a crime	And round, and (27)
You could've (14) it	It keeps your head from spinning round
but you needed time	(bis x2)
Now you're (15) just a little
