

You got (1) off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still (2) of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you (3) another
How could I compete?
Abusive words cover me like dust
I waited to know for sure
You only (4) up as last
I still think of you
And all the sh*t you put me through

Fill in the gaps

And I (5) you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
(6) clouds follow you around
Your own worst enemy
You only picked me up to (7) me down, down,
down
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I (8) you (9) wrong
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the (10) you put me through
And I know now, I know you were wrong
