

You got high off my devotion			
We caught as you crutch			
Black, (1) sick of potion			
I was addicted to (2) touch			
Carried your weight the misplaced way			
Had the burden of hate			
The decadence of decay			
I still think of you			
And all the sh*t you put me through			
And I know you were wrong			
I still think of you			
And all the sh*t you put me through			
And I know now, I know you were wrong			
You (3) your lover			
Infidelity not discrete			
I knew you (5) another			
How could I compete?			
Abusive words cover me like dust			
I waited to know for sure			
You only give up as last			
I still think of you			
And all the sh*t you put me through
