

Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to (1)_____ touch
(2)_____ your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I (3)_____ now, I (4)_____ you were wrong
You made pain (5)_____ lover
Infidelity not discrete
I knew you found another
How could I compete?
Abusive words (6)_____ me like dust
I waited to know for sure
You only give up as last
I still think of you
And all the sh*t you put me through

And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
Dark clouds (7)_____ you around
Your own worst enemy
You only picked me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you (8)_____ wrong
I still (9)_____ of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
