

Fill in the gaps

Didn't (1) (2) (3) would be	My (13) sealed
But I knew I didn't see	My (14) closed
What you thought you saw in me	And my eyes peeled
I jumped the gun	Welcome to the inner workings of my mind
So sure you'd split and run	So dark and foul I can't disguise, can't disguise
(4) for the worst before the damage was done	Nights like (15) I become afraid
The (5) never came	Of the darkness in my heart
Oh, it never was	Hurricane
Didn't (6) getting (7) in the blue	(16) ash and leave the dust behind
He damned how I ran after losing you	Lady "diamond in the sky"
Welcome to the inner workings of my mind	Wild light, (17) bright
So (8) and foul I can't disguise, can't disguise	To (18) me when I fall
Nights like this I (9) afraid	I fall on tragedy
Of the darkness in my heart	Welcome to the (19) (20)
Hurricane	of my mind
What's wrong (10) me	So (21) and (22) I can't disguise, can't
Why not (11) and see	disguise
I never saw	Nights (23) (24) I become afraid
(12) you saw in me	Of the (25) in my heart
Keep my eyes open	Hurricane
