

## Fill in the gaps

## Whispers in the dark by Mumford & Sons

You (1) your truth so purely	I'd set out to serve the Lord
(2) not through the (3) of men	My heart was colder (13) you'd gone
This lie is dead	And I (14) my head but (15) the one
This cup of yours tastes holy	that I love
But a brush (4) the (5) can clear	Under the sun, (16) the sun
(6) mind	But (17) tap (18) what you were
And strengthen your spine	once
But fingers tap into what you were once	And I'm worried (19) I (20) my only
And I'm worried that I blew my (7) chance	chance
Whispers in the dark, steal a (8)	Fingers tap (21) (22) you were once
And you'll (9) your heart	And I'm worried that I blew my (23) chance
(10) up your clothes and curl your toes	My heart was colder when you'd gone
(11) your lesson	And I lost my head
(12) me home	Let's live (24) we are young
Spare my sins for the ark	While we are young
I was too slow to depart	(25) we are young
I'm a cad but I'm not a fraud	(26) we are young
