

Fill in the gaps

I was fine right before I met her		Who gives her the right to tear up my life?		
(1) hurt and nothing could control me		How dare she be so perfect		
You (2) I tried		What did I do to deserve this?		
But I can't (3) her		-Never let her go-		
She's the first, ask anyone who knows me		How dare she be so perfect		
Terrified that she'd find my heart and break it		Tell me why, tell me why		
Paralyzed by the thought of her with someone else		You started the fire		
I wish I (4) known		And played me like that		
I shouldn't have fallen in love with her		Tell me why, tell me why		
It's been nothing but (5)	till now	You started the fire		
I shouldn't have fallen in love at all		And played me like that		
But I couldn't stop myself		I shouldn't have fallen in love with her		
(6) gives her the right to to	ht to tear up my life? (9) been nothing b		been nothing but	trouble till now
How dare she be so perfect?		I shouldn't have fallen in love at all		
What did I do to deserve this?		But I couldn't stop myself		
-Never let her go-		-I've got to let her go-		
How dare she be so perfect		Who gives her the right to tear up my life?		
-You started the fire-		How dare she be so perfect		
I haven't cried since the day she left me		What did I do to (10) this?		_ this?
Because that would mean that I admit it's over		-I've got to let her go-		
I tell myself that (7) trying to test me		How dare she be so perfect		
She'd never leave, she still needs me to hold her		Tell me why, tell me why		
Horrified cause she found my (8) and broke it		You started the fire		
Mortified when I picture her with someone else		And played me like that		
I wish I would've known		Tell me why, tell me why		
I shouldn't have fallen in love with her		You started the fire		
It's been nothing but trouble till now		And played me like that		
I shouldn't have fallen in love at all				
But I couldn't stop myself				

- 1. Never
