

Fill in the gaps

I was fine right before I met her	Who gives her the right to tear up my life?
Never (1) and nothing could control me	How dare she be so perfect
You know I tried	(17) did I do to deserve this?
But I can't regret her	-Never let her go-
She's the first, ask anyone who (2) me	How (18) she be so perfect
Terrified that she'd (3) my heart and break it	Tell me why, tell me why
(4) by the thought of her with	You (19) the fire
someone else	And played me like that
I (5) I would've known	Tell me why, tell me why
I shouldn't have fallen in love with her	You started the fire
It's been nothing but trouble till now	And played me like that
I shouldn't have fallen in love at all	I shouldn't have (20) in love with her
But I (6) stop myself	It's (21) nothing but trouble till now
What gives her the right to tear up my life?	I shouldn't have fallen in love at all
How dare she be so perfect?	But I couldn't stop myself
What did I do to deserve this?	-l've got to let her go-
-Never let her go-	Who gives her the right to (22) up my life?
How (7) she be so perfect	How dare she be so perfect
-You started the fire-	What did I do to (23) this?
I haven't cried (8) the day she left me	-l've got to let her go-
Because that would mean that I admit it's over	How dare she be so perfect
I tell myself that she's (9) to test me	(24) me why, tell me why
She'd (10) leave, she still (11) me	You started the fire
to hold her	And played me like that
Horrified cause she found my heart and (12) it	Tell me why, (25) me why
Mortified when I picture her with (13) else	You started the fire
I wish I would've known	And played me (26) that
I shouldn't have fallen in love with her	
It's been nothing but trouble till now	
I shouldn't (14) fallen in (15) at all	
But I (16) stop myself
