## SUB inglés

I'm like your dirty little joy

## Fill in the gaps

## Sick and twisted affair by My darkest days

| There's no reflection when you look in the mirror       | And you never get enough                               |
|---------------------------------------------------------|--------------------------------------------------------|
| You're out for blood and you can smell the fear         | Just a little bad habit (3) you have from              |
| You need poison                                         | (4) friends                                            |
| Like it's the only thing that keeps you alive           | I'm (5) your dirty (6) joy                             |
| You hear voices                                         | And you never get enough                               |
| They just (1) telling you you need me tonight           | Said you'd be along it                                 |
| She hides until twilight                                | But you're in a sick and (7) affair                    |
| Then she takes control                                  | You don't want to be alone tonight                     |
| I'm like your dirty little joy                          | -A sick and twisted affair-                            |
| And you never get enough                                | You don't want to be alone tonight                     |
| Just a little bad habit that you have from your friends | -A sick and twisted affair-                            |
| I'm like your dirty little joy                          | -Take control-                                         |
| And you never get enough                                | I'm like your (8) little joy                           |
| Said you'd be along it                                  | And you never get enough                               |
| But you're in a sick and twisted affair                 | Just a little bad habit that you have from (9) friends |
| You don't want to be alone tonight                      | I'm (10) your dirty little joy                         |
| -A sick and twisted affair-                             | And you never get enough                               |
| You don't want to be alone tonight                      | Said you'd be along it                                 |
| I keep you waiting (2) you're free falling              | But you're in a sick and twisted affair                |
| I'm in your dreams, I'm the creature they're calling    | You don't want to be alone tonight                     |
| You go colder                                           | -A sick and twisted affair-                            |
| I am the only thing that keeps you alive                | You don't want to be alone tonight                     |
| Can't stay sober                                        | -A sick and twisted affair-                            |
| One taste and it can take control of your life          | You don't want to be alone tonight                     |
| She hides until twilight                                | -A sick and twisted affair-                            |
| Then she takes control                                  | You don't want to be alone tonight                     |
