Sick and twisted affair by My darkest days

There's no reflection when you look in the mirror

You're out for blood and you can smell the fear

You need poison

Like it's the only thing that keeps you alive

You hear voices

They (1)_____ keep telling you you (2)_____ me
tonight

She hides until twilight

Then she takes control

I'm like your dirty little joy

And you never get enough

Just a little bad habit that you have from your friends

I'm like your (3)_____ little joy

And you never get enough

Said (4)_____ be along it

But you're in a sick and (5)_____ affair

You don't want to be alone tonight

-A sick and twisted affair-

You don't want to be alone tonight

I (6)_____ you waiting swearing you're free falling

I'm in your dreams, I'm the creature they're calling

You go colder

I am the only thing that keeps you alive

Can't stay sober

One taste and it can take control of your life

She hides until twilight

Then she takes control

I'm like (7)_____ dirty little joy

And you never get enough

Just a little bad habit that you have from your friends

I'm like your dirty little joy

And you never get enough

Said you'd be along it

But you're in a sick and twisted affair

You don't want to be alone tonight

-A sick and twisted affair-

You don't want to be alone tonight

-A sick and twisted affair-

-Take control-

I'm like your dirty little joy

And you never get enough

Just a little bad habit that you have from your friends

I'm like your dirty little joy

And you never get enough

Said you'd be along it

But you're in a sick and twisted affair

You don't want to be alone tonight
