Circuital by My morning jacket

Fill in the gaps

Going nowhere, oh, quickly I am older, day to day Still going back to my childhood way Circuital Round and round patiently Getting lost by the guide And I'm all worked up over nothing Circuits All in and out Connect my body Deep into the ground Circuits Connect the Earth to the Moon And link our heavenly bodies Not a moment too soon (1) you can (2) open the windows Or you can board them up Saints to a crown Or Christ's humble cup	Spinning out, gracefully
