

Fill in the gaps

Stand Back!		You know your ladder from your snake	
Stand Back!		You know the throttle from the brake	
What are those dogs doing		You know your straight	
sniffing at my feet		line from a curve	
They're on to something, picking up		You've got a lot of nerve	
Picking up this heat, this heat		But I know you	
Give me steam		Everybody nosedive	
And how you feel to make it real		Hold (8)	breath, count to five
Real as anything you've seen		Backslap, boobytrap,	
Get a life with this dreamer's dream		Cover it up in bubblewrap	
You know your (1)	from your trash	Room shake, eartho	quake
You know your plastic from your cash		Find a way to stay awake	
When I lose sight of the track		It's (9) to blow,	
You know the way back		it's going to break	
But I know you		This is more than I can take	
You know your stripper from your paint		Oh yeah, I need steam	
You know your sinner (2)	your saint	Feel the steam all around me	
Whenever heaven's doors are shut		Ah you're turning up the heat	
You kick (3) but		When I start to dream aloud	
I know you		See you move your hands and feet	
Give me steam		Won't you step into	
And how you (5) to make it real		this cloud of steam	
Real as any place you've been		This steam	
Get a life with the dreamer's dream		Help me yeah	
Stand back!		Ready to steam out the log jam	
Stand back!		Stir crazy from the	
Can't you see I've lost		freezer to the boil	
control I'm getting		Water's bubbling, it's	
indiscreet		bbbbubbling	
You're moving in so close		bubbling, bubbling, bubbling	
'til I'm picking up		like it's coming to a boil	
Picking up this heat, this heat		Give me steam, lady	
You know (6) green from	your red	Give me steam around me now	
You know the (7) from	the dead	Aah coming alive,	
So much better than the rest		Aah coming alive	
You think you've been blessed		Said give me (10)_	steam
But I know you
