

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I fight for all my future somethings

A thousand (1)_____ wars I have to choose
(2)_____

I could spend a lifetime earning things that I don't need
That's like chasing rainbows and coming home empty

And if you strip me, strip it all away

If you strip me, what would you find?

If you (3)_____ me, strip it all (4)_____

I'll be alright

Take what you want, steal my pride

Build me up or cut me down to (5)_____

Shut me out but I'll just scream

I'm only one voice in a million

But you ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that

I don't need a microphone

To say what I've been thinking

My heart is like a loudspeaker

That's always on eleven

And if you strip me, strip it all away

If you strip me, what would you find?

If you strip me, strip it all away

I'm still the same

Take (6)_____ you want, steal my pride

Build me up or cut me down to size

Shut me out but I'll just (7)_____

I'm only one voice in a million

But you ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that

Because when it all boils down at the end of the day

It's what you do and say that makes you who you are

Makes you think about it, (8)_____ about it, doesn't it?

Sometimes all it takes is one voice

Take what you want, steal my pride

Build me up or cut me down to size

Shut me out but I'll just (9)_____

I'm only one voice in a million

But you ain't taking that from me

You ain't (10)_____ that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that

Take what you want, steal my pride

Build me up or cut me down to size

Shut me out but I'll just scream

I'm only one voice in a million

But you ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that from me

You ain't taking that

Fill in the gaps

Answer

1. little
2. between
